create • engage • inspire

massAV is proud to have built our reputation as a leading provider of professional meeting services to the hotel industry. Our goal is to bring a high level of local, professional services and support to the clients of the Sheraton Portsmouth Harborside Hotel. A dedicated and skilled management and technical staff are at the hotel on a full time basis. Our technology includes video, audio, lighting, and computer products on property. You can be assured of strong meeting planning and technical support from our team as you prepare for your meeting or special event.

From sales kickoffs to large scale training events, from new product launches and shareholder meetings to academic awards galas and fundraisers, we pride ourselves on exceeding the client's expectation.

We are your trusted source for staging expertise, video/audio production and event-related creative services.
